

## Package Contents:

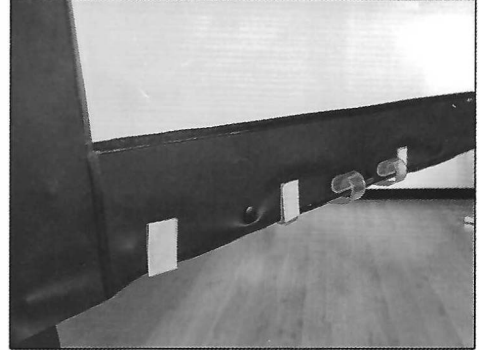

Visual Apex Projector Screen Skirt, frame clips

## Setup Instructions:

1. Place all plastic clips on the frame, over the screen material.  
(Be careful not to bunch material)

2. Place 4 clips the opposite direction to attach excess material to the back of the screen frame

3. Find the middle of the skirt and begin attaching the skirt to the velcro from the middle outward to each end of the screen.

4. Attach excess material to the back of the screen using clips you placed the opposite direction.

5. Reverse steps to dismantle and store in poly bag.
